G. Kishan Reddy

कोयला एवं खान मंत्री
भारत सरकार
नई दिल्ली
MINISTER OF COAL AND MINES
GOVERNMENT OF INDIA
NEW DELHI

Date: 01/05/2026

Dear Colleagues,

On this International Labour Day, the 1st of May, I convey my most sincere regards and heartfelt gratitude to all of you, who form the foundation of our coal industry. Your relentless hard work, carried out in difficult conditions in the mines, has played an important role in meeting the energy requirements of our country and maintaining our economic progress. With great pride and gratitude, I pay homage to your labour that lights up millions of homes, drives industries, and makes our country flourish. Your contributions to the record output of coal and the greater cause of an Atmanirbhar Bharat have bolstered the country's growth and independence.

As you have tirelessly worked in challenging conditions to secure the nation's energy needs and power its growth, it is equally our responsibility to stand firmly by you and your families. In recognition of your dedication and sacrifice, the company has consistently strengthened its welfare framework by ensuring not only your safety and well-being at the workplace, but also extending meaningful support to your families. Our commitment remains unwavering: to build an ecosystem where every employee feels valued, protected, and empowered, just as you have empowered the nation through your relentless service.

As we look to the future, the Ministry is pursuing a holistic "Worker-First" welfare reform program to create better conditions for all workers and families. Under the aegis of Ministry of Coal, Coal India Ltd is developing 23 model hospitals, 33 model colonies, 32 model schools, and 30 model sporting venues, equipped with state-of-the-art facilities in Phase-I. For the active engagement and involvement of your families, various sports activities are also being conducted throughout the year. In our mission to create thriving, sustainable

Written to the Coal India family, expressing my deep gratitude to our coal workers, the backbone of India's energy security

Participated in my friend Sri Tripuraneni Chittibabu garu's grand final rites & paid my solemn respect

₹37,500 CRORE

COAL GASIFICATION MISSION

India's Clean Coal Revolution

India is launching **₹37,500 Cr** scheme for coal & lignite surface gasification, targeting **100 million tonnes by 2030**. By converting coal into valuable synthetic gas instead of burning it, this will slash expensive chemical imports, secure energy independence, & drastically reduce emissions
