₹25,016 CRORE PROJECT IN ODISHA

Sai learns about a historic moment in India's energy journey!

The Foundation Stone has been laid!

Hon'ble President of India, Smt. Droupadi Murmu Ji and Hon'ble PM Shri Narendra Modi Ji laid the Foundation Stone of Bharat Coal Gas & Chemicals Ltd (BCGCL) at Lakhanpur, Odisha.

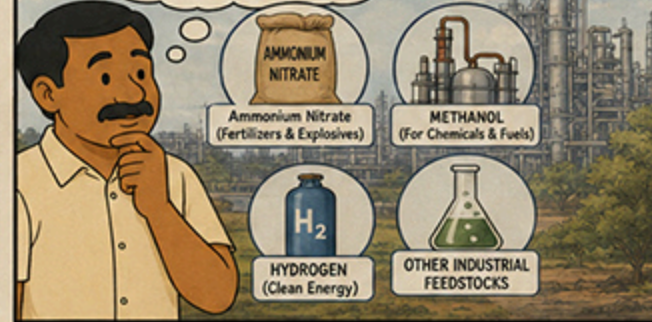

This is India's first commercial-scale Coal-to-Ammonium Nitrate Project!

Developed jointly by CIL & BHEL with an investment of ₹25,016 Crore.

It will convert India's abundant coal into valuable products like ammonium nitrate, methanol, hydrogen and other industrial feedstocks.

How will this transform lives?

A proud step towards Atmanirbhar Bharat!

BCGCL will reduce imports, strengthen our industrial base and create a cleaner, stronger, self-reliant India for generations to come.

Coal to Chemicals. Resources to Prosperity. Together for a Stronger India.

India's first commercial-scale Coal-to-Ammonium Nitrate Project

Being developed jointly by CIL & BHEL, marks a historic step towards converting India's abundant coal resources into value-added products: ammonium nitrate, methanol, hydrogen & other industrial feedstocks
